Reports:

-Borough Manager: The Aged Accounts Receivable Report as of May 18, 2018: monthly accounts total \$35,124.90; quarterly accounts total \$59,255.92. Delinquent account notices will be mailed on May 30, 2018. Joseph Smith and Edmund Strohm have accepted their employment offers and will begin their duties as Plant Operator level three within the next few weeks. Mr. Zeigler has obtained a proposal for an AUMA control valve at the WTP. The valve has been rebuilt several times. A motion was made by Mr. Boldosser, seconded by Mr. Fry to approve the proposal of Apparatus Repair and Engineering, Inc. to furnish and install an Auma Valve Assembly at the cost of \$8,376.32. ***Roll Call:*** *Mr. Boldosser, yes; Mr. Fry, yes; Mr. Hoover, yes. Motion was passed with three (3) affirmative and zero (0) negative votes.* Mr. Potzer reported that Mrs. Piper and Mrs. Heberlig have completed their training for the new Munilink utility billing system. The customer billing records will be transferred to the new system on June 1, 2018. The monthly bills will be generated from the new system on June 11, 2018. Quarterly bills will be generated on July 10, 2018. Mr. Potzer commended the administrative staff for their hard work in helping to complete the transition to the new billing system with no difficulties. Lysa Wright of World Wright Web Design is completing the new NWSA website. The site should be live by July 1, 2018. Mr. Potzer requested authorization to update the water system regulations with the assistance of Mr. Hill and Mr. Rimby. A motion was made by Mr. Fry, seconded by Mr. Boldosser to approve the preparation of new water regulation. The report of the Borough Manager was accepted as presented.

-Chief Plants Operator: Mr. Zeigler provided additional information regarding the WTP operation. Despite the bad control valve, both treatment units are in operation. The Operators may work the damaged valve manually. The installation of the new Auma valve should be completed in four weeks. The report of the Chief Plants Operator was accepted as presented.

-Water and Sewer Field Operations: The report of Mr. Lehman was accepted as presented.

Old Business: Mr. Hill opened bids for the rehabilitation of Treatment Unit #1 at the Cool Spring Water Treatment Plant. Bids were received as follows:
